
Inspiration Collages

This collage was part of the inspiration for my fashion line for the NYFA show (April 9th 2011).

This collage was the Mood Board piece I did for my Storyboard Class at school. As you can probably tell, this is where I got the selection for my header picture!

Here's my Line Board for *ingredients*, the line I created for my Storyboard Class. I actually created this brand concept a long time ago when I applied (and was accepted to! but did not attend) the Graphic Design program at FIDM in California.

//xo til next time.
